

Cast Set For Presentation Of 'The Ship'

All College Play To Be Given
Monday Night at
Theatre

By Elsa Grimmer

After weeks of rehearsals, the cast of this year's all-college play, St. John Ervine's "The Ship", is awaiting the final presentation at Fischer's Appleton theatre, Monday evening.

The plot of the drama, which is a tragedy, centers about the conflict between John Thurlow, a well-to-do ship-builder, and his son, Jack, who has no desire to follow in his father's footsteps. John Walter, '29, as Thurlow, takes the male lead of the play, while the part of the son is taken by John Robson, '28.

Characterization Predominant

Throughout the play, characterization is predominant. Ferne Warsinske, '28, as the eighty-three-year old mother of John Thurlow, has one of the most difficult character parts to portray. She continually finds herself in the position of mediator between her son and grandson.

The part of John's wife, a pliable woman who avoids bother by offering opposition to no one, is being taken by Gladys Rydeen, '28. Marielle Edens, '28, has the role of Hester, the daughter of Mr. and Mrs. Thurlow. Other characters in the play are George Norwood, played by George Jacobson, '28, and Captain Cornelius, played by George Krause, '29.

Committee in Charge

Miss Lucille Welty, instructor of dramatics, coached the players. Ray Richards, '28, who was business manager of "You Never Can Tell", acted in the same capacity for this year's production, while Diehl Snyder will fill the position of stage manager.

The sets for the entire play have already been completed, according to the announcement of committees in charge of the work. Margaret Bough, '29, was chairman of one of these committees and Helen Greenwood, '28, headed the other. Ship models and posters were in charge of George Jacobson, '28.

Dr. Baker Attends Phi Beta Kappa Convention

Dr. Louis C. Baker, professor of modern languages, attended the state Phi Beta Kappa convention, held at Madison, Thursday, May 17. The chief topic of discussion at the meeting was consideration of ways and means to make Phi Beta Kappa more effective in undergraduate life. A luncheon at noon, conferences in the afternoon and a banquet in the evening constituted the day's program.

The initiation of University of Wisconsin Phi Beta Kappas was also held.

"Elijah" Soloist To Be With Civic Opera Company

Barre Hill, baritone soloist for the May festival, is to sing during this coming year with the Chicago civic opera company. In addition to this engagement, Hill is to be with three other similar organizations including the Cincinnati opera company for the German season at Cincinnati.

Throughout the whole country Barre Hill is achieving remarkable success in concert and operatic work. He has devoted a large portion of his time to concert engagements and has sung in England, Wales, and France as well as in the large cities of both eastern and western United States. His pleasing personality, combined with a gorgeous voice of grand opera quality and brilliancy has won for him his place as one of the leading baritone singers of today.

White And West Are Winners In Oratory Extempore Speaking

Washington High, Milwaukee, Takes
Shield Awarded By Law-
rence College

Jack White, of Washington high school, Milwaukee, won first place in extempore speaking, and Edwin West, of Menominee, Michigan, took first honors in oratory, at the sixteenth annual forensic contest of Wisconsin and Michigan high schools, held at the Peabody hall auditorium last night. Washington high school of Milwaukee won the shield presented to the school having the highest team percentage.

In the extempore division, Marcus Plant of New London, who spoke on "The United States Policy in Latin America", was awarded second honors, and Donald McMahon, Appleton, won third place. Calvin Rittenhouse, Plainfield, who spoke on "Creative Citizenship", received second place in oratory. Third place went to Kurt Regling, of Shawano.

White, who is a senior at the Milwaukee high school, took as his topic "Our Latin-American Policy in Nicaragua", while the winner in oratory, Edwin West, spoke on "Lincoln's Tolerance; a Present Need."

Gold, silver and bronze medals were awarded winners of first, second and third places, while scholarships ranging from one semester to two years were also given away.

The winners were selected at a final contest, in which five boys in each division were entered, these having been selected from a group of thirty-five participants in the elimination contest, held at Main hall Thursday afternoon.

Judges were Professor A. L. Franzke, Professor A. A. Trever, and Professor William L. Crow.

Eleanor Lea Is New President Of Sunset

Eleanor Lea, '30, of Elgin, Illinois, was elected president of Sunset players for the 1928-29 school year at a meeting of the dramatic organization Wednesday evening. At the same time Helen Upham, '29, was named vice-president. The other officers are Ruth Ann Linn, '29, secretary; Kenneth Miles, '29, treasurer; and Bernita Danielson, '29, and William Meyer, '31, directors.

The new president has completed a successful year in Sunset players, her best piece of work being an important part in "The Romantic Age."

The retiring officers are John Walter, '29, president; Ruth Ann Linn, '29, vice-president; Helen Upham, '29, secretary; Diehl Snyder, '29, treasurer; and Verel Knaup, '28, and Kenneth Miles, '29, directors.

Recovering from Operation

George Niedert, '28, who was operated upon for goitre at an Oshkosh hospital, has been convalescing at his home in Elgin, Illinois.

Mary Morton To Be Queen Of May Fete

Ferne Warsinske, Edith Reeve
Named Attendants By Law-
rence Women

Date Changed

The date of the annual Lawrence May fete, which was to have been held Saturday, May 26, has been changed to Friday, May 25, because of the conflict with the Little Four track meet which is to be held Saturday afternoon, May 26.

All events of the May fete will be presented at the times announced, but will be on Friday instead of Saturday, and the classes will meet regularly Saturday morning. All Friday classes however, will be suspended. This change in arrangements was made so that the students might attend all of the May fete and the Little Four track meet as well.

By Mildred Elwood

Mary Morton, Marinette, will be May queen of Lawrence college at the annual May fete which is to be held Friday, May 25. Her two attendants, who were also elected by the women of the college last week, will be Ferne Warsinske, Marshfield, and Edith Reeve, Appleton.

Miss Morton has been very active on the campus during her four years here. She is a member of Phi Beta Kappa, Mortar Board, and Phi Sigma Iota. This year she was one of the four best-loved girls elected for the annual colonial banquet of Y.W.C.A., and last year she was awarded the junior spade as the best all-around junior girl. She has served on the Y.W.C.A. cabinet for two years, as treasurer and assistant treasurer. In athletics she has won the "L" sweater, and is also president of the W.A.A. board.

Ferne Warsinske was also one of the best-loved girls at the colonial banquet. She has been especially active in dramatics and is to have a prominent part in "The Ship", all college play. She is a member of Sunset players and English club, and last year she was chosen for the varsity rifle team.

Edith Reeve has been very active in the Y.W.C.A. cabinet for two years, and is also a member of Mortar Board and Pi Gamma Mu. She was chosen with Miss Morton and Miss Warsinske as one of the best-loved girls. She is also treasurer of the W.A.A. board.

Dedicate 1929 Viking Ariel To L. M. Alexander

By Francis Nemacheck

To Lewis M. Alexander, president of the Board of Trustees of Lawrence college, educator, philanthropist, banker, manufacturer, and builder, the 1929 Ariel, which is to be released within a few days, is fittingly dedicated. Fittingly, because in this dedication, tribute is paid to a man who has manifested a most profound interest in youth, and who has worked steadily for the advancement of Lawrence college. Thirty years ago he succeeded Philetus Sawyer as president of Board of Trustees. Mr. Alexander has been a member of the board since 1893. Thus his term of service extends over a period of some thirty-five years. Only three members of the present board were members of the governing body of the college when he was first made a trustee.

From the cover design of the viking ship returning from a successful voyage, through to the last page, the new 1929 Ariel is permeated with a Nordic atmosphere. The color combination of blue-green, gold, and black which is being used, fits in especially well with the Viking theme, and sets off to good advantage the main division and sub-division phases of Nordic life.

Forensic 'L' Awards Given To Fourteen

Wettengel Pins Given For Ex-
tempore and Debate
Work

The official forensic "L's", goal of all students who enter the Lawrence forensic arena, were awarded to four girls and ten men in convocation yesterday morning. The awards were made by Professor A. L. Franzke, head of the department of speech, for outstanding work in forensics during the past year.

The distinctive "L" was given to William Verhage, '28, and Walter Voeks, '30. This award consists of a handsome gold pin with an inlaid diamond, and is presented to those men who have three years of varsity debate work to their credit. It is also given to the winners of first places in the state oratorical and extemporaneous contests of Wisconsin colleges.

The gold "L" is presented to those students who have achieved outstanding success in debate work for two years. Arthur Mueller and Ervin Marquardt, both '29, of the men's varsity squad, and Agnes Huberty, '28, Mildred Christman, '29, and Ramona Fox, '28, of the girls' varsity squad were all winners of gold "L's". Bruno Krueger, '28, who has been an assistant in the department of public speaking for the past two years, was also awarded the gold "L" for his outstanding work in forensics.

The recognition "L" is presented to those students who have successfully completed one year of varsity debating. William Herrman, '30, Ernest Enquist, '29, Edgar Koeh, '30, Dan Hopkinson, '31, William Morton, '31, Elsa Grimmer, '28, and Bertha Greenberg, '29, were all receivers of the recognition "L" this year.

The presentation of these awards has been made possible by the generosity of Fred Wettengel, an Appleton business man, who for the past fifteen years has given the necessary funds. Wettengel has taken an active interest in Lawrence forensics and has done a great deal to encourage this important activity on the campus.

Announce Winners Of Theta Sigma Phi Supplement Contest

Poem By Margaret Joslyn, Story By
Anna Marie Perschbacher
Win

"Comfort", a poem by Margaret Joslyn, '30, and "Brown and Gold", a short story by Anna Marie Perschbacher, '29, have been awarded the prizes in the annual Theta Sigma Phi literary supplement contest which was held recently.

"Dia Butsu", a poem submitted by James Ford, '28, was given honorable mention by Dr. Frances Foster, who judged the poetry contest. Ford was awarded first prize in the prose contest last year.

Margaret Joslyn, who was elected to Theta Sigma Phi this year, has had several articles published in current magazines, and last year won honorable mention in the Atlantic Monthly essay contest for college students. Miss Joslyn, who has been feature writer for the Lawrentian during the past year also had a poem, "Impotence", published in "Ships".

Dr. Foster, formerly of the Lawrence faculty, now at Vassar, made this comment about "Comfort": "This poem seems to me nearly to do what it sets out to do, in a slightly impertinent, somewhat sophisticated, yet vividly realized way. There is more in it than I shall probably not forget than in the others." Last year Miss Joslyn won the prize for the best short story submitted to the supplement.

Anna Marie Perschbacher, also a member of Theta Sigma Phi, had one of her poems, "Disillusion", printed in "Ships", Lawrence anthology of verse. Dr. Dix Harwood, who was also formerly on the Lawrence faculty, judged the prose contest.

Theta Sigma Phi will award a book to each of the winners of these two contests.

German Club Elects Miles New President

Kenneth Miles, '29, was elected president of the German club for the coming year at a meeting which was held Wednesday night at Hamar house. Other officers elected at this time were Sophia Haase, '29, vice-president; Herta Miller, '30, secretary; and Jenny Goelzer, '30, treasurer.

320 Athletes In Prep Meet At Lawrence

Twenty-one High Schools En-
tered In First Annual
Meet

By Robert Beggs

More than 320 high school athletes and possibly hundreds of students other than participants will be on the Lawrence campus tomorrow in connection with the first annual interstate interscholastic track and field meet to be held at Whiting field. Thirteen class "B" schools will be entered in the morning events and eight class "A" schools in the afternoon program.

The entry list of 192 Class "B" school athletes and 137 Class "A" contestants includes names of prep stars who are expected to make the meet one of the most colorful of its kind held in the state this year. Several of the records hung up here in the meets of former years are expected to be broken in the Class "B" division by Berlin high, which has just won another "Little Ten" conference title, and in the Class "A" ranks by Wausau high which has won its conference title for the sixth successive year. Milwaukee high schools, regarded as the cream of the state in track and field work, and strong entrants from Appleton high will also be counted on to add color to the festivities.

Coach George Christoph who is in general charge of the meet announced that the plans drawn up by Blue Key fraternity for handling the entrants have been completed. Class "B" events will begin at 9 o'clock in the morning, after which they will be entertained at buffet lunches at the fraternity houses. The field events for Class "A" schools will begin at 1:15 o'clock and track events at 1:30 o'clock in the afternoon. A banquet at Brokaw hall in the evening, at which all awards will be made, will complete the program.

The list includes: Class "A"—Milwaukee Boy's Tech; Milwaukee West Division; Washington, Milwaukee; Bay View, Milwaukee; Riverside, Milwaukee; Appleton, Wausau and Oshkosh. Class "B"—Antigo, Brillion, Neenah, Menasha, Valders, Kaukauna, Ripon, Berlin, Port Washington, Baraboo, Wrightstown, Seymour and Oconomowoc.

Appleton High Band Plays In Convocation

The Appleton high school band, conducted by Professor Ernest C. Moore, played four numbers at Wednesday convocation. "Shades of Night" by Franklyn opened the program. The band will play this selection at the state band concert which will be held at Waupun Saturday. The other numbers were: "Searf Dance" by Cham-lade, "Symphonic Serenade" by Chenette, and "New Colonial March" by Hall.

To Keep File Of Lawrence Items In Post-Crescent

An index of Lawrence items from the Appleton Post-Crescent since the issue of January 1, 1928 has just been completed by the college librarians. The articles have been filed according to subject matter, and the file at the reference desk is ready for use.

Although the records have been kept only for five months, some interesting items have come to light in the Twenty-five Years Ago and Ten Years Ago columns. In 1903 the chapel (main hall) bell cracked after fifty years of use, and in 1903 there were 100 members in the freshman class. The dates of the issues which contain these and other old stories are thus made available by the new file.

THE VISITORS

A lasting impression of Lawrence college will be made tomorrow to a large number of high school students who will participate in and be visitors to the interstate prep track meet, to be held at Whiting field. Star athletes from more than a score of high schools are entered in the meet, and prospects are that many marks of long standing in Lawrentian history will be shattered.

Whatever the results of the meet, Lawrence men and women should recognize the valuable advertising medium which is the event. Many of the high school athletes and visitors will be enrolled at Lawrence next year and in succeeding year, and they are obtaining their first impressions of the institution over this week end. That impression must be not only lasting, but good. It may be obtained by courteous treatment of the visitors, and by attendance on the part of Lawrentians at the track meet tomorrow.

IN MEMORIAM

News of the death last Sunday of Julian Halverson, one of Ripon college's finest athletes, comes as a distinct shock to Lawrence students, all of whom are familiar with the name of Halverson as a Ripon luminary and many of whom knew him personally. To these latter "Julie's" loss is felt keenly. Although only a sophomore, he was a three sport star of the first magnitude, and bade fair to become one of the greatest athletes in the history of Ripon. Lawrence joins her friendly rival in mourning the loss of Julian Halverson.

"THE SHIP"

Another all college play will pass into history Monday evening with the presentation of St. John Ervine's "The Ship", at the Appleton theatre. The production is another student activity which deserves student support. After reservations were opened yesterday, the ticket sale was progressing satisfactorily. This climax to a successful dramatic season should be successfully backed by all Lawrentians—faculty and students alike.

Pledge Two Hundred Dollars Toward Lake Geneva Conference

A total of approximately two hundred dollars was pledged at Tuesday convocation toward the fund which will be used to send twenty-five Lawrence students to the Geneva conference at Lake Geneva in June and August. Conference plans were outlined by William Verhage and Elmer Ott, both '28.

This plan, a new one on the campus, has been substituted for that of sending a Lawrence student to Europe, a project which has been carried out this year.

The purpose of the Geneva conferences, which have been held annually for many years, is to promote fellowship. Outstanding men and women, drawn from various universities, colleges and occupations come to this place to teach classes and speak on campus and international problems in which they are interested.

The boys' conference will be held in the middle of June, and that of the girls will be conducted from August 14 to August 27.

Biology Club

Roger Rugh, assistant in the Zoology department, spoke on the Morphology and Physiology of Fertilization at a meeting of the Biology club, held Wednesday evening in the zoology lecture room. Carl Hoffman, '29, was in charge of the program.

Viking Team At Marquette On Saturday

Denneymen Face Strong Gold Squad On Track To-morrow

By Hayward Biggers

Saturday afternoon Coach A. C. Denney's 1928 Lawrence varsity track squad will tangle with Marquette university in the fourth meet of the season. The fracas will be staged on the Milwaukee field.

Marquette Strong

The blue and white will enter the meet as underdogs, as the Gold is reputed to have an extremely strong team this year, being well balanced in both the track and field events. Captain Frank Glazer, of the Hilltoppers, is a certain winner in the pole vault, while the dash men and the relay team have established imposing records.

In the Drake relays, Glazer cleared 12 feet 10 inches in the pole vault to win a tie for first place, and the 880 yard relay team took a second in the event, covering the distance in 1:28 flat. Both Larson and Treps qualified in the dash prelims, but failed to place in the finals.

Pin Hopes on Runners

As usual, Coach Denney will pin his hopes on the Hyde twins, Pope, Brusat, Menning, Wolfe, Mueller, Rasmussen, Jesse and Schuerman in the track events, along with Ellis in the high jump, and Ellis and Pope in the broad jump.

It is expected that Don and Doug Hyde, Pope and Brusat will again run on the relay team, but Coach Denney has been doing some experimenting, and it is possible that DeGoy Ellis will run in the place of one of the four. In the last few practice sessions, Ellis has shown exceptional speed in the 220.

Dr. Naylor Speaks At Oxford Club Banquet

Dr. Wilson S. Naylor, dean of the college, gave an address on "Prophets of This Generation" at the annual windup banquet of the Oxford fellowship club at the Northern hotel Tuesday evening.

The installation of the new officers of the club followed. Harry Hanson, '29, was installed as president for the coming year; Francis Nicholas, '30, vice-president; and Clarence Hanseom, and Stanley Norton, both '30, were installed as secretary and treasurer respectively. Hanseom later gave an inaugural address outlining a few of the plans of the club for the coming year. Gay Salsbury, '29, outgoing president of the club, gave a resume of the activities of the group for the past year.

Francis Nicholas, '30, acted as toastmaster for the banquet.

Netmen In Return Match With Ripon

The Viking tennis team will meet Ripon in a return match here at 9:30 o'clock Saturday morning. Three matches have been played so far this season with Marquette, Oshkosh normal, and Ripon. The Lawrence netmen were defeated by Marquette, 5 to 1, but whitewashed the latter two teams, both scores reading 7-0.

Standings were shuffled slightly in the interfraternity kittenball league as the first round of games came to a close with the Phi Kaps resting in undisputed possession of first place. The Theta Phi, due to their upset by the Betas, fell to a tie with the D.L.'s for second position, while the Betas won their fourth straight game and climbed to tie the Sig Eps for fourth.

Betas 7; Delta Sigs 5

The Delta Sigs were given a 7-5 beating by the Betas on Monday. Eleven hits were taken from the Delta Sig pitcher and seven from McDonald. The losing team had nine errors against it, five more than the number made by the Betas. Four of the winning tallies were accounted for in the second and third innings, while the Delta Sigs made all but one of their runs in the fourth and fifth.

Batteries: Phi Taus—Behling and Stowe; Delta Sigs—D. Babcock and Malmberg.

D.L.'s 11; Sig Eps 4

The Sig Eps were dropped out of a third place tie Tuesday when they lost an 11-4 game to the D.L.'s. Errors were frequent, each team making ten. Ten hits were pounded out by the winners, while their opponents made four. The Sig Eps scored two runs in the fourth inning and duplicated the number in the next period. The second frame was the most profitable for the D.L.'s, the home plate being crossed by them four times in this inning. Two circuit clouts, one by Klausner and one by Steinberg, were made in the game.

Miss Achtenhagen Makes Sorority Survey

The total number of chapters in the twenty National Panhellenic sororities is now 939, according to a survey recently made by Miss Olga Achtenhagen, assistant professor of English.

Sixteen sororities have granted new chapters during the year March, 1927, to February, 1928. Alpha Gamma Delta, Sigma Kappa, Delta Gamma, Alpha Delta Pi, Delta Zeta, Alpha Chi Omega, Phi Mu, Kappa Alpha Theta, Chi Omega, and Kappa Delta granted one chapter each. Zeta Tau Alpha, Alpha Omicron Pi, and Alpha Delta Theta granted two each. Pi Beta Phi and Alpha Eta Delta granted three each, and Beta Phi Alpha granted four.

Miss Achtenhagen's report continues: "The first sorority to bear a Greek name is probably Kappa Alpha Theta. It was not until 1904 that Adelphean and Philomathean, local societies at Wesleyan college, Macon, Georgia, became Alpha Delta Pi and Phi Mu. Pi Beta Phi, originally the I. L. Sorosis, adopted her Greek name in 1883."

Name Upperclassmen For Freshman Week Work Here Next Year

The personnel of upperclass students who will participate in freshman week activities next year has largely been determined upon, and invitations to those selected will be issued in the near future, according to Professor R. C. Mullenix, dean of freshmen. Individual conferences will be held between now and commencement and frank criticism of the past freshman week activities and suggestions for the coming program will be solicited.

Freshman week next fall will extend from September 12 to 16, and plans for the program are already well under way. The program, although following in general those of past years, is to have several important modifications. The social program will be more diversified than in the past, and the exercises of the week will be altered with a view to making them even more valuable than formerly. An innovation in the week's activities will be a performance by the Sunset players.

The idea of freshman week, which was originated at the University of Maine five years ago, has had a rapid growth among American institutions. In 1926 the freshman week was instituted at Lawrence, which was then one of a small number trying the new plan. This year 221 colleges and universities have adopted the system. It is believed that the rapidly growing favor of Freshman week is due to the fact that this week of orientation has really functioned in giving new students a favorable introduction to college life and aiding them in adjusting themselves to their new situation.

Mary Knight, '31, spent the week-end at her home in Waupaca.

Blue Key Has Dinner Meeting At Ormsby

The bi-monthly dinner meeting of Blue Key was held last Wednesday evening at Ormsby hall. About twenty-five members were present.

After the usual routine business, it was decided to hold next year's elections to the fraternity in the months of October and April. Plans were also discussed concerning the interscholastic track meet tomorrow, of which Blue Key is to have charge. There is to be a special meeting of the organization in the gymnasium this evening after the frolic, at which time a final check will be made on the plans for the meet.

Lutheran Club Will Hold Banquet Sunday

A banquet, to wind up the season's activities, is to be held for all members of the Lawrence Lutheran student's club in the parlors of the Mount Olive Lutheran church, Sunday afternoon at 5:30 o'clock.

Special features of the banquet will be music by a well-known Appleton trio and the address of the evening by the Reverend R. E. Ziesemer. Plans for the re-organization of the club for next year will be discussed and officers for the coming season will be elected.

Dorothy von Berg, '27, visited Zeta Tau Alpha sorority sisters over the week-end.
